PUBLIC TRANSPORT ARRANGEMENT DURING THE EVENT

FRANCHISED BUS & GMB SERVICES

- Number of existing routes will remain unchanged but part of the routes will be adjusted to the relocation of certain stops / terminus.
- Detailed location map will be disclosed later.

GMB Stops & Taxi Stands:

• GMB stop near Central Pier No. 6 and the Taxi Stand will be swapped.

TEMPORARY TRAFFIC ARRANGEMENT BEFORE AND AFTER THE EVENT

For the safety of the race crew and spectators, and control measures of public access, the Organizer will install concrete safety barrier, race route barriers, spectator stand fences and other temporary measures, in addition to the set up of pit stop, grandstand and carnival area.

- The construction works will start from 26 September and such works will be conducted during night times to minimize its impact to the traffic nearby. The Organizer has proposed alternative routes for the temporary road closure and the public road will be narrowed by one lane after the temporary constructions are in place.
- The restoration works will be conducted after the Event until 17 October 2016.

Highlights of construction works

Before the event (26 Sept – 7 October)

- From 26 Sept onwards, the pick-up / drop-off point between Lung Wo Road and Central Post Office will be closed.
- From 29 Sept onwards, Yiu Sing Street westbound traffic will be suspended while eastbound traffic will only be suspended during night time.
- From 30 Sept 00:00 onwards, Lung Wo Road between Man Yiu Street and Tim Wah Avenue will be suspended during night time
- From 4 October 9pm onwards, Man Yiu Street southbound turning right to the pick-up / drop-off point of IFC2 will be suspended.
- From 5 October onwards, Man Yiu Street southbound turning left to Lung Wo Road eastbound; pick-up / drop-off points at Central Pier No.7 and No.8; and Man Yiu Street northbound between Man Po Street and Man Kwong Street will be suspended.

Highlights of construction works

After the event (10-17 October)

- From 10 October 00:00 06:00, the restoration works of the main road junctions will be conducted. Traffic and public transport arrangement will resume normal on 10 October morning.
- From 10 October 21:00 onwards, the restoration works will continue and all traffic arrangement (except Yiu Sing Street westbound) will resume normal on 11 October morning.
- Other restoration works in less busy roads will continue by phases until 17 October when all works are completed.
- All restoration works will be conducted during night times to minimize the impact to the traffic nearby.
